

CONSULATE GENERAL OF THE UNITED STATES OF AMERICA
JERUSALEM

**LIST OF MEDICAL SERVICES PROVIDERS IN THE CONSULAR
DISTRICT OF JERUSALEM**

(REVISED DECEMBER 2009)

The Consular district of the American Consulate General in Jerusalem comprises the city of Jerusalem, the West Bank and the Gaza Strip. This partial listing of doctors practicing in that district is for the information of American citizens who find themselves in need of medical assistance.

The list gives information on hospitals, pharmacies and doctors of different specialties including their addresses, working hours, educational background, languages spoken and other pertinent information.

The Consulate assumes no responsibility for the professional ability or integrity of the institutions or physicians included in this list. The order of names of the institutions or the physicians mentioned in this list is of no significance.

PHARMACIES

Reliable, well-stocked pharmacies are available in Jerusalem and its suburbs. A few are closed in the mid-afternoon, but a rotating duty pharmacy remains open nights and holidays. The Jerusalem Post newspaper publishes a list of such pharmacies daily. All pharmacies are registered with the government and are considered reliable. Check the following Internet link for a list of Jerusalem's 62 pharmacies; maps are included for some (click "show all sites"):

http://www.jerusalem.muni.il/english/sys/tour/show_sites.asp?site_type=146
